Coord. & Assoc. Professor,
Adventure Education
Program
Fort Lewis College, CO

Dexter R. Richards
Founder, Secretary

Vanessa Laurella, RN, PhD
Park City, Utah

Greetings,

Aug, '07

You are cordially invited to participate in Second Annual **Sunapee SunFest 2007**, Mountain Spirit Institute's sustainable living/holistic health expo.

WHEN

Saturday, September 15, 2007 - 10 a.m. to 5 p.m.

WHERE

Mount Sunapee State Park - Newbury, New Hampshire

Last year's event was a great success and lots of fun. This second year's event is an opportunity to share your holistic or environmentally focused business or organization, or expertise with the general public. We are inviting vendors, as well as speakers and musicians. The venue will be booths, workshops, and therapies which focus on healthy, sustainable living and healing modalities, such as massage, yoga, cranio-sacral therapy, solar energy, bio-diesel technology, yurt living, and nature-based activities such as a mini-solo, outdoor skills, and a hike in Mt Sunapee's old growth. The Sunapee Community Coffeeshouse again will sponsor live music.

The vendor/booth fee is \$50.00. There is no cover charge for the public to this event – everything is a la carte. There will also be a silent auction of items and gift certificates donated by participants and local businesses. *Please fill out the enclosed/attached contract and mail it with your vendor fee, payable to: Mountain Spirit Institute, Sunapee SunFest, P.O. Box 626, Sunapee, NH 03782.* The committee will review your application, contact you with any questions, and return a email your confirmation. Questions? Contact Randy Richards at 603-763-2668.

If you are not interested in being a vendor and would like to participate, we suggest you put an ad in our Program Guide, of which a description and order form are enclosed/attached. **You may also donate an item or gift certificate for the silent auction. This is a great way to get your business noticed as well.** Free posters are available for displaying at your place of business and in public places. Mountain Spirit Institute is sponsoring this fundraiser to enrich its scholarship and educational programs aimed at expanding the consciousness of cultural diversity and living sustainably on the earth. For further information on this or last year's Sunapee SunFest, our Mission Statement or Core Values, please visit our website at www.mtnspirit.org. We are excited about your participation in SunFest 2007!

In Peace and Warm Regards,

The SunFest Committee & M.S.I. Board of Directors
