Mission Statement

The mission of Mountain Spirit Institute is to facilitate one's connection to self, each other and the environment. By so doing, participants will have a greater appreciation and understanding of their own resources, of other individuals around them, as well as a better sense of their place in the natural world. Self-reliance, compassion, service, centeredness, physical fitness and interpersonal community building, as well as caring for, and understanding of the natural environment, are hallmarks of the mission.
